Please know that we are thinking of you as you and all your neighbors and colleagues deal with the aftermath of Sandy. Please let us know if we can help in anyway. I have attached is the latest version of the AGREMAX report for your use. This version incorporates changes based on our Quality Assurance Review and internal peer review including OSWER. Please not that it is still stamped draft because it has not completed final administrative review. Please call me if you have any questions. Again, good luck with all the clean-up.
